From the Chair of the President

"Education is the key to future, for tomorrow belongs to those who prepare for it today. The aim of education is the knowledge, not of the facts, but of the values. An investment in knowledge pays the best interest."

Bhawanipur, a small place located in the heart of Barpeta- the land of Satras, is not so famous to boast about. But when it comes to educational enthusiasm, thrive for literacy and inquisitiveness for knowledge; yes it is a place where education is given a very high importance.

Although Bhawanipur opened up a High School way long back, providing quality education to aspirants upto the intermediate level, the never-ending appetite for higher education eventually gave birth to another stanchion for education- the Bhawanipur Anchalik College. In 1982, riding on the effort and endeavor of some of the most enthusiastic and spirited individuals, Bhawanipur Anchalik College came into existence. The early years of the college was not so much alluring; shielded under a blunt bamboo hooded cottage, just in front of the Bhawanipur PHE.

Administratively, Bhawanipur Anchalik College- a rural educational hub is under the jurisdiction of Barpeta district.

The prevalence of NH31 and Sarupeta Railway Station bridges the gap between the region and the gateway of North East- Guwahati. The only challenging index in terms of development of this region is perhaps the absence of Industrial and Corporate Parks, which, somehow sparks the talented youth to flock the nearest city for global exposure. Although the region's economy rides on the shoulder of agricultural plinth, entangling the younger generation towards agronomical attitude, the essence of the educational fragrance inspires them to crave for higher inclination towards acquisition of more literary credentials.

Since 1982, the Degree College, Arts and Commerce (started from 2015) have come a long way to be accredited at B Grade by NAAC. Equipped with a firm faculty of highly educated and qualified teaching staff, the college houses technically sound digital classrooms, wi-fi enabled campus with a perfect library to create an ideal abode for study. Its homely environment of the hostels certainly creates a profound ambience for the boarding students. Not only limited to studies, the college also focuses on the importance of extra-curricular activities along with Sports and Cultural aspects. Harnessed with an indoor stadium, playground and an Auditorium, it ensures the all-round development of its inmates.

It archives an impressive career track record for the alumnees. The graduated students from this college have been rendering services to many notable departments under the State and Central Governments. Many of them have cemented their positions in the topmost corporate companies also. With a concrete base in educational ethics, many proud alumnees are spreading their broad umbrella of knowledge over various professional sectors.

Although Bhawanipur Anchalik College has attained a stable position in providing quality education over the years, it has still loads of potential to serve better for the society.

Today's youth is the future of tomorrow.

Lets get united and educate our youth to serve for a better world. !

Let our institution be a shining podium for the laurels of tomorrow!

Therefore, all the students who are to get admission in the Undergraduate Level are to continue their studies strictly following the academic, examination, management and administrative exercises as per the CBCS demand. For detailed information all the newly admitted students of undergraduate level are advised to go through in comprehensive manner the Regulations of the Under Graduate Choice Based Credit System (UGCBCS), Gauhati University, 2019 - 2020 onwards and prepare individually for the system.

IMPORTANT NOTE

Students are to see the Web Portal of the Affiliating University for knowing in details about their Course Papers and Contents of their own subject related Courses which have been FINALISED in the form of the SYLLABUSES of the SUBJECTS of the necessary PAPERS to be studied in each of the streams. Further, they are also advised to develop the habit of frequent checking of the Web Portal for up-to-date information.

REGULATIONS OF THE UNDERGRADUATE CHOICE BASED CREDIT SYSTEM (UGCBCS), GAUHATI UNIVERSITY, 2019

1. THE CHOICE BASED CREDIT SYSTEM (CBCS)

The Choice Based Credit System is the logical next step in a credit based semester system becoming more learner-centric. A CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning. The UGC has recommended that it is desirable for all institutions of Higher Education in the country to move to a CBCS and together with it, implement a uniform Grading System.

2. UNDERGRADUATE CBCS (UGCBCS) PROGRAMMES

The undergraduate degree programme in the CBCS has courses spread across six semesters. A typical semester has comprised a minimum of 15 to 18 weeks of academic work that has translated into 90 actual teaching days. Two consecutive (One Odd and one Even) semesters has made up an academic year. An UG course is of Six Semesters covering three Calendar Years (Academic Sessions - June to May). The duration of the Odd Semesters (First, Third and Fifth) is 'June to November', and that of Even Semesters (Second, Fourth and Sixth) are 'December to May'.

The dates and duration mentioned in the academic calendar concerned have in consonance with the above schedule as far as practicable.

Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session.

The minimum time requirement to acquire an undergraduate degree is three years. The maximum time allowed to complete the programme is six years.

Structure of Courses and Credits of the UGCBCS Programmes

- 2.1 The term undergraduate degree programme denotes programmes like B.A., B.Sc., B.Com., B.Voc., BCA, BBA and all other such programmes where the requirement for award of a degree is the successful progression of the student through six semesters of academic work.
- 2.2 The academic work in each semester requires the student to engage with chosen courses, the content of which is described in detail in the syllabi. Every course has well defined learning objectives and is designed to comprise lectures, tutorials, laboratory work, field work, project work or any other activity that addresses the learning objectives of the course.
- 2.3 Each course has credits, assigned on the basis of course related activities, which a student learns through satisfactory fulfillment of the academic requirement of the course.
- 2.4 An undergraduate degree programme with Honours in a discipline has a course credit requirement of 148 credits while an undergraduate degree programme without Honours requires a

student to earn 132 course credits. Students in a Honours programme can opt to earn additional credits by undertaking additional Elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular programme, this credit ceiling is 140 credits. The credits earned beyond the mandatory program requirement is not taken into consideration in computation of the student's grade but is recorded in the grade sheet.

Note: Wherever the University requires that an applicant for a particular M.A./M.Sc./Technical/Professional course should have studied a specific discipline at the undergraduate level, then obtaining 24 credits in the concerned discipline at the undergraduate level may be deemed sufficient to satisfy such a requirement for admission to the M.A./M.Sc./Technical/Professional course.

2.5 The medium of instruction and examination is English and/or Assamese, except in language courses.

3. INTRA AND INTER-INSTITUTIONAL TRANSFER OF CREDITS

3.1 The UGCBCS requires mandatory Generic Elective Courses which involves intra-institutional (inter-departmental movement). However, at the operational level, colleges are expected to face constraints in teaching, spatial and physical infrastructure. Hence, initially, colleges may offer limited intra institutional mobility in the form of restricted combination of courses.

3.2 Inter Institutional mobility may not be possible in the same semester. However, a student can access off campus courses online in the SWAYAM platform, if and when, they are endorsed and adopted by Gauhati University. In that case, credit and grade point earned will be transferred and reflected in the Grade Sheet.

3.3 Gauhati University may allow a student to migrate, along with the credit earned, to another affiliated college/a different university in a particular semester of a UG programme, but only after completion of the previous semester. Similarly, it may allow students of other universities to immigrate, with their credit and grade points earned, to any undergraduate programme of the university, provided they have completed the previous semester.

4. NATURE AND NOMENCLATURE OF COURSES:

In line with the UGC's guidelines, the courses are categorized as Core Courses, Elective Courses or Ability Enhancement Courses

4.1 Core Course:

A Core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. In a Regular undergraduate degree programme a student will need to take up 12 core courses, each again of 6 credits.

4.2 Elective Course:

An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types:

4.2.1 **Discipline Specific Elective Course:** An Elective Course which is offered by the main discipline. The discipline offering a Discipline Specific Elective Course may also offer discipline related elective courses that are interdisciplinary in nature. A student enrolled in an undergraduate degree program with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-Honours undergraduate degree program in science, the course credit requirement from Discipline Specific Elective courses will be 36 credits. For a student enrolled in a non-Honours undergraduate degree program in Arts and Commerce, the course credit requirement from Discipline Specific Elective courses will be 24 credits.

4.2.2 **Generic Elective Course:** A Generic Elective Course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree program with Honours can acquire 24 course credits from Generic Elective Courses. A Core Course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses.

Generic Elective Courses are not available to students in a non-Honours undergraduate science degree program while other non-Honours undergraduate programmes require enrollees to take up two such courses.

4.2.3 **Dissertation/Project:** Engaging students in a Project/Dissertation work, which requires knowledge application and problem solving, is considered to be important in the learning process. All students enrolled in an undergraduate degree program (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 Credits in lieu of a 6 Credit Discipline Specific Elective course in the fifth semester only.

4.3 **Ability Enhancement Courses:** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree program will be of two types:

4.3.1 **Ability Enhancement Compulsory Courses:** These 4 Credit Courses are mandatory for every student enrolled in an undergraduate degree program. A student will have to take up 4 Credit Course in Environmental Science and a second 4 Credit Course in English Communication/MIL Communication.

4.3.2 **Skill Enhancement Courses:** Skill Enhancement Courses will be value based or skill based and there will be a pool of courses on offer. A student enrolled in an undergraduate degree program with Honours will have to take up a minimum of two SEC courses of 4 Credits each as part of the program requirement. For students enrolled in non-Honours undergraduate degree programs the Credit requirement from Skill Enhancement Courses will be 16 Credits. It is desirable that the university will prepare Skill Enhancement Courses for various disciplines from the list of SEC provided by the UGC template. However colleges are free to develop their own SECs independently which must have prior approval of the Academic Council.

5. STRUCTURE OF COURSES AND CREDITS OF THE UGCBCS PROGRAMMES

Gauhati University has adopted the under-graduate Choice Based Credit System subject to the UGCBCS Regulations, 2018, Gauhati University. The university has to the best possible extent attempted to conform to the Instructional Template disseminated by UGC. The programmes offered by Gauhati University will conform to the following guidelines.

5.1 Gauhati University will adhere to the common minimum curriculum and syllabi of the core papers as framed by the UGC. The permissible deviation in the content in the core papers is 30 % at the maximum.

5.2 The university through their Undergraduate Committee of Courses and Studies (UG-CCS) has designed their own syllabi for the elective papers. The UG-CCS may adopt elective courses from the list provided by the UGC or alternately frame courses independently as per their specialization and available infrastructure.

5.3 Two categories of Ability Enhancement Courses are offered:

5.3.1 Ability Enhancement Compulsory Courses of one paper each in the two semesters consisting of (i) English/MIL Communication (ii) Environmental Science.

5.3.2 Skill Enhancement Courses are offered by affiliated colleges from the UGC list. Alternately colleges may develop these courses on the basis of local expertise and market demand and these courses must have prior approval of the Academic Council.

5.4 For the purpose of computation of work-load the following mechanism is to be adopted:

1Credit = 1 Theory period of one hour duration

1Credit = 1 Tutorial period of one hour duration

1Credit = 1 Practical period of two hour duration

8. COURSE CODES

8.1 **Faculty:** It represents Arts, Commerce, Engineering, Fine Arts, Law, Management, Medicine, Science, and Technology. For every faculty there will be code as 1 for Arts, 2 for commerce and 9 for technology.

Faculty	Arts	Science	Commerce	Law	Engineering	Management	Technology	Fine Arts	Medicine
Code	1	2	3	4	5	6	7	8	9

8.2 **Department/Discipline:** Every discipline will be coded as per the following format (i.e., 01 to 99). For example, 01 for Assamese, 02 for Arabic, 03 for Botany..... 07 for Economics.

8.3 **Semester:** There will be six semesters in the degree course. Thus, 1 for the first semester, 2 for the second semester.... 6 for the sixth semesters.

8.4 **Course Type:** It represents nomenclature and nature of courses. For example, 1 for core course, 2 for DSEC, 3 for GEC, 4 for D/P, 5 for AECC, 6 for SEC, 7 for P/T..... maximum to 9.

8.5 **Sl. No. :** It represents number of the paper names for the particular subject. For example, in Economics subject, 01 for Microeconomics, 02 for Macroeconomics, 03 for Statistics, 05 for Econometrics.... And so on.

- 8.6 **Credit:** Credit represents 1 to 9. For example, if a paper, Microeconomics has 6 credit, Econometrics has 6 credits, Statistics has 6 credits. It will be code as 6 for credit for that particular paper.

Thus, for Economics with Microeconomics in the first semester with core course, coding will be given as – 10711016

9. CREDITS AND ATTENDANCE

- 9.1 To be awarded credit in Core Courses, Elective Courses, Discipline Specific Elective (DSE) Course, Generic Elective (GE) Course and Ability Enhancement Courses (AEC) [comprising of Ability Enhancement Compulsory Courses (AECC) & Skill Enhancement Courses (SEC)], students must have at least 75% attendance. The attendance of all courses including the Skill Enhancement Courses shall be counted and accounted for in full while determining if the student has met the minimum attendance norms of Gauhati University.

9.1.1 *Attendance means attending direct instruction hours, i.e., theory classes, seminars, workshops, practical, internships, educational trips, field works, project works etc.*

9.1.2 *Learning in distance mode or self learning by library works or by internet hours will not be counted as attendance, unless it is specifically identified and prior approved by the University.*

9.1.3 *Basis for calculation of attendance: The basis for the calculation of the attendance shall be the number of hours of contact prescribed by the University.*

- 9.2 In case a student fails to have at least 75 per cent attendance, he/she will not be allowed to sit for the end semester examination and hence have to repeat the concerned semester after the successful completion of the subsequent semesters.

(For example, if a student fails to secure the necessary credit in the first semester, then he/she can register in the second and subsequent semesters. And only after the successful completion of the sixth semester, can he/she repeat the first semester to earn the deficit credits.)

9.3 LEAVE OF ABSENCE

A student having less than 75% attendance will not be allowed to appear in the End- Semester Examination (ESE) except in the following cases:

- 9.3.1 **Medical leave:** Any student securing less than 75% due to medical reasons will have to apply for medical leave in a prescribed form (within seven days from the date of absence) accompanied by clear reason(s) for absence to the authorized functionaries. The completed form will have to be supported by a Medical Certificate from an authorized medical practitioner. The principal will examine each case of medical absence individually and decide whether it merits exemption. However, the minimum attendance after accounting for medical leave granted will still have to be 75%. *Under no circumstances will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of medical leave, falls below 75%. Such consideration will be subject to the condition that the student must have a minimum of 60% attendance.*

- 9.3.2 **Prescribed Co-curricular Activities (CCA):** For absence due to participation in prescribed co-curricular activities (e.g. NCC, NSS, Youth festivals, sports etc.), the claim for CCA leave will have to be made in a prescribed form and supported by authenticated certificates from the concerned authorities. Only those students, whose names are on the list of students made available by the principal as being allowed to participate in such activities, will be considered for CCA leave. The principal will examine each individual case of such CCA leave applied for, and decide whether it merits exemption. However, the minimum attendance after accounting for CCA leave granted will still have to be 75%. *Under no circumstances will a student be allowed to appear for the end semester examination or continue with the programme if his/her attendance, after consideration of leave for co-curricular activities, falls below 75%.*

10. EXAMINATIONS, EVALUATION AND GRADING

10.1 Examinations

Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student passed or failed.

- 10.1.1 If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered failed in that paper. Any paper where a student fails will be called an 'Arrear' paper of that student.
In case a student fails in any one or more papers in an end semester examination, she/he can appear in all the papers in which she/he failed.
- 10.1.2 A student having 'arrear' in external examination, either in theory or practical papers shall be allowed chance to clear the same in the next available end-semester examinations, with the following restrictions:
- 10.1.2a No student will be allowed to appear in the first and fifth semester examinations simultaneously.
- 10.1.2b No student will be allowed to appear in the second and sixth semester examinations simultaneously.
- 10.1.3 The first and the fifth semester examinations will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examinations will be held simultaneously, while the fourth semester examination will be held separately.
- 10.1.4 A student may be allowed once to reappear in any one of the honours theory papers in each of the first, second and third semesters for betterment of marks if the candidate secured 'pass marks' in all papers. Students will be allowed to reappear only in the next similar examination. Marks obtained either in the earlier examination or in the subsequent examination, whichever is higher, will be awarded to the student.
- 10.1.5 No betterment will be allowed in internal and practical examinations in any semester.
- 10.1.6 A student must pass all her/his semester examinations, including 'arrear' and 'betterment' chances within six years from the date of admission to the first semester. In this context, six years means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or who failed in any semester examination will be allowed chance to clear the same as follows:
- i. First semester with regular third semester examination.
 - ii. Second semester with regular fourth semester examination.
 - iii. Third semester with regular fifth semester examination.
 - iv. Fourth semester with regular sixth semester examination.
- 10.1.7 There shall be no scope for a student to appear as Private Candidate in any course.
- 10.1.8 Schedule: The schedule for examinations will be as per the concerned Academic Calendar. The exact dates of examinations and related information will be notified by the office of the Controller of Examinations, Gauhati University
- 10.2 **Evaluation:** A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following:
- Internal Assessment (IA)
 - End Semester Examination (ESE)
- For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.
- 10.2.1 **Internal Assessment (IA):** IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measures will be adopted for distributing marks earmarked for I A.
- 10.2.1a Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (For example, if 20 marks are allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the

sessional or midterm examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

10.2.1b 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:

- a) Class attendance from 76% to 80%..... 1 Mark;
- b) Class attendance from 81% to 85%..... 2 Marks;
- c) Class attendance from 86% to 90%..... 3 Marks;
- d) Class attendance from 91% and above..... 4 Marks.

10.2.1c Rest 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria:

- a) Home assignments;
- b) Seminar/Group discussions;
- c) Field work;
- d) Performance in co-curricular and extra-curricular activities.

10.2.2 **End Semester Examination (ESE)**

The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 marks. For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

For odd semesters, ESE will be held in the month of November and for the even semesters, the examination will be held in the month of May.

10.2.3 **Pass Marks**

10.2.3a The pass marks will be as follows:

Theory paper: 30%

Practical paper : 40%

10.2.3b A student must pass in both internal and external examinations of a paper (theory and practical) separately if he/she has to pass in that paper. Passing a UG course in any subject does not automatically imply qualifying in Honours, if any.

10.2.3c The following rules will apply for the Bachelor Degree in any subject with Honours.

- Simple pass: 30% to 39% marks in aggregate, i.e., from CGPA 4.00 to less than CGPA 5.00
- Pass with Honours: 40% marks or above in aggregate in Honours subjects, i.e., minimum of CGPA 5.00
- In case a student with Honours in any subject secures less than 40% marks in aggregate (i.e. CGPA less than 5.00) but 30% or above in the Honours subject, she/he shall be declared 'Simple Pass'.
- In case of project work or dissertation, it shall be a separate paper with separately allotted marks and cannot be treated as part of any other theory paper. Pass mark for project work or dissertation will be 50%.

10.2.4 **Number of Attempts**

10.2.4a A student who has completed a semester may be allowed to proceed to the next semester, irrespective of the number of papers in which she/he failed.

10.2.4b In order to complete an UG degree, a student must obtain pass marks in all the papers prescribed.

10.2.4c A student having failed to fill in his examination form in the first semester may be allowed to appear in the second semester if all other eligibility criteria are fulfilled.

10.2.5 **Procedure for conducting Sessional Examination**

10.2.5a The sessional examination as part of Internal Evaluation will comprise of 50% of the marks earmarked. Since Internal Evaluation component will be of 20 marks, Sessional examination will be held for determining students' performance out of 10 marks. For the convenience of setting questions and covering the syllabus, the Sessional examination will be held for 30

marks of one hour duration and the marks secured by the students will be proportionately converted to be out of 10 marks. The sessional examination for a paper will be conducted by the teacher(s) who teaches that paper. The setting of question paper, invigilation duty, evaluation of answer scripts for each paper will be done by the teacher(s) concerned as part of his/her normal duty without hampering regular classes as far as practicable.

- 10.2.5b The teacher(s) concerned will fix the date of the sessional examination in each paper. The students shall write their answers in the sessional examinations in proper 'additional answer scripts' of Gauhati University.
- 10.2.5c After evaluation, the answer scripts shall be shown to the students and corrections in evaluation, if any, shall be made. After this, the answer scripts shall be collected back from the students. The entire process of evaluation in the sessional examination should not take more than two weeks from the date of examination.
- 10.2.5d There is no provision for 'betterment' in the sessional examination. If a student fails in the sessional examination, she/he shall be allowed a chance to clear it in the next similar examination conducted by the college. If a student fails to appear in the sessional examination for valid reason(s) supported by medical certificate or any other authentic document submitted to the college authority, then the teacher/college concerned shall allow the student to appear in a separate examination on a suitable date fixed by her/him before the commencement of the end semester examination.
- 10.2.5e Scrutiny of answer scripts of sessional examination will be done in the college by an Examination Committee formed by the Principal in consultation with the faculties of the college. During scrutiny, if any discrepancy is observed in the evaluation certain questions, the same should be re-evaluated by a teacher of that subject appointed by the Examination Committee.
- 10.2.5f Answer scripts of sessional examinations shall be submitted to the University after one year of the examination concerned.
- 10.2.5g Before the end of the End Semester Examination, the Colleges shall compile the marks obtained by the students under different heads of Internal Evaluation such as Sessional examination, Class attendance and from other criteria mentioned in 10.2.1a, 10.2.1b & 10.2.1c. The compiled marks will be submitted to the Controller of Examinations through online feeding.

10.2.6 Procedure for External Evaluation

- 10.2.6a The Controller of Examination, Gauhati University will make necessary arrangement for announcing the date of examinations and other necessary procedures as per the University Rules.
- 10.2.6b The End Semester Examination shall be of three hour duration.
- 10.2.6c The affiliated colleges shall send the answer scripts of the external examinations to the Zonal Officers as directed by the Controller of Examinations, Gauhati University.
- 10.2.6d The Evaluation Zone shall arrange everything needed for the evaluation and scrutiny of the answer scripts. After evaluation and scrutiny, the answer scripts are to be sent to the Controller of Examinations, Gauhati University along with the mark foils and the scrutiny sheets.
- 10.2.6e Scrutiny will be carried out at the zones by teachers who qualify to be examiners, as per this regulation, in the subjects concerned. The scrutinizers shall go through each answer script to detect the following mistakes during scrutiny - wrong entry, omissions, under-marking, over-marking, and wrong calculation of total marks.
- 10.2.6f In case a candidate is not satisfied with the marks obtained by her/him in a theory paper in the end semester examination, she/he may apply for re-scrutiny, photocopy and re-evaluation of the answer script by depositing the prescribes fees and following the procedure as given below:
- a) Step-1:** Applications for re-scrutiny of answer script(s) will be accepted up to 15 days from the date of declaration of the results. The re-scrutiny process will be completed by re-totalling of marks, checking omission of /unassigned marks.
- b) Step-2:** Applications for photocopy of the answer script(s) will be received up to 15 days from the date of declaration of re-scrutiny results. A student can also apply for photocopy of

the answer script(s) along with the application for re-scrutiny. The photocopy of the answer scrip(s) will be provided only after re-scrutiny of the script(s).

c) Step-3: Applications for re-evaluation of answer script(s) will be accepted up to 1 month from the date of dispatch of the photocopy of the answer script(s) subject to the following conditions:

Condition 1: A student should go through step-1 and step-2 before proceeding to step-3

Condition 2: A Re-evaluation is a paper is more than 25% of the total marks assigned to the paper.

d) An answer script shall not be preserved for more than 6 months from the date of declaration of the results.

e) No re-scrutiny, re-evaluation or seeking photocopy of the answer scripts of internal examinations, practical examinations, project works / dissertation and viva-voce examinations will be allowed.

10.2.6g In case of gross damage or missing of answer scripts due to any unforeseen reasons beyond the control of the university, special examinations shall be held within a stipulated time and attempts shall be made to declare the results of such examinations at the earliest, so that the students concerned get proper justice.

10.2.7 Who can be an Examiner?

To become an external examiner in any UG examinations, the following conditions are mandatory:

10.2.7a For Honours course, a teacher must have taught the subject/paper for a minimum period of four years in an affiliated college of a university.

10.2.7b For Elective course, a teacher must have taught the subject/paper for a minimum of two years in an affiliated college of a university.

10.2.7c A scrutiniser of any subject/paper must qualify to become an examiner of that subject/paper.

10.2.7d A person who has 'close relative(s)' appearing in a particular university examination shall not be associated with it in any capacity. In this context, 'Close relative' means husband, wife, son, daughter, father, mother, grand-children, son-in-law, daughter-in-law, brother, sister, brother-in-law, sister-in-law, father-in-law, mother-in-law, nephew, niece and first cousin. It shall be the responsibility of the person involved in an examination in any capacity to declare that none of her/his close relative(s) is appearing in that examination.

10.3 Grading:

Gauhati University has adopted the grading system recommended by the UGC which will ensure uniformity with the rest of the country. This is expected to facilitate student mobility across institutions within and across countries and also enable potential employers to assess the performance of the students.

The University, accordingly, will follow the Grading System under which the marks are converted to grades based on a pre-determined formula. The following definitions and explanations are used in the Grade Sheet design -

10.3.1 **Credit:** A unit by which course work is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching/tutorial or two hours of practical per week.

10.3.2 **Letter Grade:** It is an index of the performance of students in a course. Grades are denoted by O, A+, A, B+, B, C, P and F.

10.3.3 **Grade Point:** It is the numerical weight allotted to each letter grade on a 10 point scale.

10.3.4 **Credit Point:** It is the product of grade point and number of credits for a course.

10.3.5 **Semester Grade Point Average (SGPA):** It is the measure of performance of work done in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

$$SGPA (S_j) = (C_{ij} \times G_{ij}) / C_{ij}$$

Where

S_j = SGPA of the j th semester

C_{ij} = number of credits for the i th course of the j th semester,

G_{ij} = grade point obtained by the student in the i th course of the j th semester.

10.3.6 Cumulative Grade Point Average (CGPA): It is a measure of overall cumulative performance of a student over all semesters. It is the ratio of sum of the product of the SGPA of each semester and the respective credits earned divided by the total credits earned in the programme.

$$CGPA = \frac{\sum C_j \times S_j}{\sum C_j}$$

Where

C_j = credits earned in semester j ,

S_j = SGPA in semester j

C_j = Total credits earned in the programme

10.3.7 Conversion of marks (%) to Letter Grades and Grade Points:

Conversion of percentage into Credit(s) and Grade(s): The following illustrations could be taken as an example for computing SGPA and CGPA from percentage to Credits for Honours Courses in all disciplines, Degree Programme Courses in Science Subjects and Degree programme Courses in Humanities, Social Sciences and Commerce Subjects:

Percentage to Grades and Grade Points

The following formula may be used to convert marks % into letter grades.

Let \bar{X} = means % age Marks of all students appeared in the Paper

σ = Standard Deviation

m = % marks obtained

Letter Grade	Numerical Grade	Formula
O (Outstanding)	10	$m \geq \bar{X} + 2.5$
A+ (Excellent)	9	$\bar{X} + 2.0 \sigma \leq m < \bar{X} + 2.5 \sigma$
A (Very good)	8	$\bar{X} + 1.5 \sigma \leq m < \bar{X} + 2.0 \sigma$
B+ (Good)	7	$\bar{X} + 1.0 \sigma \leq m < \bar{X} + 1.5 \sigma$
B (Above Average)	6	$\bar{X} \leq m < \bar{X} + \sigma$
C (Average)	5	$\bar{X} - 0.5 \sigma \leq m < \bar{X}$
D (Pass)	4	$\bar{X} - \sigma \leq m < \bar{X} - 0.5 \sigma$
F (Fail)	0	$m < \bar{X} - \sigma$
Ab (Absent)	0	

*Minor variations may be adjusted by the individual institution.

Note: A student obtaining Grade F shall be considered failed and will be required to reappear in the examination.

The meeting expects such hindrances be eliminated immediately in order to facilitate the timely declaration of the result for the maximum benefit of the student community. Keeping the students' interest at the forefront of the discussion, the meeting was pleased to extend the following suggestions/recommendations to the concerned authority with a hope of a sweeping, swift and smooth conduct of examination looking into the matter of early declaration of the result with a zero defect.

1. Micro Zone be evolved:

After a threadbare discussion on the pros and cons of the existing examination system, the meeting resolves to suggest that each and every college should be treated to act as a micro zone for spot evaluation instead of the present system of spot evaluation at the examination zone at few colleges.

The Principals in the strength of Office-in-charge are to be made more and more responsible for successful completion of the evaluation works within the stipulated time.

2. Examination Zone as the Distribution Centre:

The meeting suggests that the present examination zone be assigned the duty of distributing the answer script to the micro zone i.e. the respective college and after completion of the evaluation work, that college will return the evaluated answer scripts along with the necessary documents to the Examination Zone i.e. the Distribution Centre within the stipulated time.

3. Fifteen Days for Evaluation Work:

The micro Zone i.e. the colleges will get a period of fifteen days to be counted from the last day of the examination to complete the evaluation work.

OFFICE MEMORANDUM

Sub. : Ban on Private Tuition by College teachers and their engagement in Private Educational Institutions.

The Government in Higher Education Department is in receipt of information about College teachers who are substantively holding posts in Provincialized and Government Degree Colleges and yet participating in Private Tuition Centres / Coaching Centres. Such participation in Private Tutions hampers Class Room Teaching by Teachers in Institutes where they are substantively appointed. Further, this trend spreads a sense of insecurity amongst College Students where they tend to believe that they would not be able to do well unless they too take Private Tutions. This also results in disparity amongst students and impairs the set goal of equity and access to Higher Studies. This trend has led to skipping of regular classes by many students and has resulted in decreasing attendance in regular classes.

As such Private Organized Tutions by the college teachers or participation in any such Private Coaching Centres / Tuition Houses by any regular teacher of Provincialized and Government Degree Colleges is hereby banned. Departmental action will be taken against any teacher found participating in any Private Tuition House / Coaching Centre at any time of the day.

This direction will not be attracted if a teacher calls students at home for special remedial teaching where number of such student in a batch is less than four.

Further, no teacher employed substantively in any Government or Provincialised College will associate in any capacity with any private Educational Institution either in Managing Bodies or class room teaching hence forth, as it has hampered in contribution of the teacher to the Government Institute where he is substantively appointed and drawing his salary from.
