Bhawanipur Anchalik College organizes inaugural talk of the year-long “Science Talk Series-2024”

Science Forum, Bhawanipur Anchalik College in collaboration with Department of Botany, Bhawanipur Anchalik College & IQAC, Bhawanipur Anchalik College organized the inaugural talk of the year-long “Science Talk Series-2024” on 16 February 2024 at the college premises.

Dr. Husiar Singh Thapa was invited as a guest speaker for the invited

talk-1 who spoke on “Ethnobotany: Significance in modern science and the use of common ethnobotanical plants”. Dr H. S. Thapa is a retired Associate Professor & HoD of Department of Botany,

Pacchung University College (Mizoram University).

Dr. Mukunda Sarma, Principal, Bhawanipur Anchalik College extends a warm welcome to our

esteemed guest speaker. Dr Priyanka Kalita, Assistant Professor, Department of Chemistry, Bhawanipur Anchalik College formally introduced the distinguished guest speaker to the esteemed audience. Mr. Khirod Kalita, Assistant Professor, Department of Botany, Bhawanipur Anchalik College adeptly hosted the entire program, while Dr. Vivek Baruah Thapa, Assistant Professor, Department of Physics, Bhawanipur Anchalik College provided insightful concluding remarks, both contributing significantly to the seamless execution of the event. There also ensued an interactive session between the audience and the speaker.
