Best Practice-1

1. Title of the Practice

Material and Mental Support through the Charitable Trust of the College

2. Goal

To provide services to the students of underprivileged families of the locality and the society as well to continue higher education without much trouble.

3. The Context

The college has a Charitable Trust for providing need based help in the form of services to the students of the poor and underprivileged families. The Trust provides financial and academic support and counseling to the students for continuing higher education with the help of the accumulated funds. Besides, it provides financial assistance to the guardians of such families of the students for medical care in the moment of crisis.

4. The Practice

The college is situated in a backward and economically poor agrarian region and it is therefore, imperative for the institute to take necessary steps to boost up the deplorable conditions of the people of the area and to elevate their socio-economic conditions. The practice of supporting the needy students helps the College to discharge services in the extension parameter and maintain harmony with the stakeholders, especially the college family members, students and the guardians.

5. Evidence of Success

Though nominal in figure, with the help of the Trust such students got/get the chance to complete higher education with such support. Economically unsound guardians of the students of the college have been relaxed with support of the Charitable Trust.

6. Problems Encountered and Resources Required

Like the overall problem of the agrarian families of the country, the students of such families of the area have also the same category of problem and there is the need of support from all sides so that they get the chance to satisfy their aspirations of higher education. The Trust has been supporting to the best possible level in this area.

Best Practice-2**1. Title of the Practice**

CC Camera Surveillance of the College Campus for Checking the problem of Ragging/Protecting the Dignity of the Community of Girl Students/Overall Discipline/and Protecting the Cleanliness and Campus Order.

2. Goal

Close circuit cameras have been installed in the college to monitor and totally check the problem of Ragging, Protecting the Dignity of the Community of Girl Students, maintaining overall Discipline and Protecting/maintaining the Swachhata i.e. Cleanliness parameter of the Campus and maintaining Order.

3. The Context

The college has a sprawling campus and it is very difficult for the principal, concerned persons of the administration to personally monitor and check the problem of Ragging, Protect the Dignity of the Community of Girl Students, maintain overall Discipline and Protect the Swachhata i.e. Cleanliness of the Campus, maintain Order, observe the curricular, co-curricular and extra-curricular activities of the students and the staff members. Considering all the necessities and for strict vigilance of the campus activity in the day time and campus security at night, CC cameras have been installed in the classrooms, library and other sensitive points of the college.

4. The Practice

This practice has been enforced to maintain the academic and natural health of the institution by helping in avoiding any type of untoward incidents in the college campus. However, for maximum benefit out of this provision, notice has been displayed in various points so that everybody comes to know that the total Campus area is under CC Surveillance.

5. Evidence of Success

After the enforcement of CC camera surveillance, it has been noticed that the activities of the students and the staff members have become more disciplined. Ragging and Teasing have totally been disappeared from the campus and Swachhata i.e. Cleanliness has been confirmed.

6. Problems Encountered and Resources Required

The first and foremost problem encountered in effective implementation of this practice is frequent disruption of power supply, lack of technical knowhow to operate the system and for managing promptly the minor/major technical error of the system. In such situation the authority has to seek the help of the technical experts on payment which creates extra financial burden.

BHAWANIPUR ANCHALIK COLLEGE*Students' Feedback Report**Session: 2015-16*

Keeping in mind for the systematic evaluation of the Quality Parameters and taking necessary steps for the overall uplift, the IQAC has regularly been collecting Feedback from the Stakeholders viz. From Students, Guardians and Alumni with the help of well developed Scale as per the UGC/NAAC directions. For the Session 2015-16 such Feedbacks on Curriculum, Syllabus, Infrastructural Facilities and Performance of the Teachers have been collected and analysed result has been reported as:

Feedback Analysis of the Students:

Most of the students expressed highly positive views/opinions on the increased/renovated infrastructural facilities. They expressed satisfaction over the issue of teaching-learning facilities and process followed by the teachers. However some of the students expressed dissatisfaction relating to the suitability of the syllabus. They express doubt relating to the market value of some of the contents of the designed syllabus and demand changes as per the requirement of the knowledge market. The Affiliating University has frequently been informed about the views of the students for making changes of the contents.

Feedback Analysis of the Guardians:

The guardians have expressed high satisfaction over the available infrastructural facilities of the college. They are delighted having a very Clean and Natural Campus. They appreciate the overall roles and involvement of the principal in the college, teachers in the classrooms and the outside. However, there is the suggestion for especial measures for the proper continuation of late hour classes.

Feedback Analysis of the Alumni:

Alumni's views relating to the rapid infrastructural changes are very positive. They expressed surprised observing the overall changes of the infrastructural facilities of the college during the short span of time. However, there is the demand from the Alumni side for a separate well equipped Room for their sitting.
