### SWACHHTA PLEDGE

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed. Mahatma Gandhi secured freedom for Mother India. Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time towards this. I will devote 100 hours per year that is two hours per week to do voluntary work for cleanliness. I will neither litter nor let others litter. I will inculcate the quest for cleanliness with myself, my family, my locality, my village and my workplace.

I believe that countries that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen. With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today. I will make them devote their 100 hours of cleanliness. I am confident that every step I take towards cleanliness will help in making my country clean.
