Awareness Programme for “Agni-Veer” Recruitment at Bhawanipur Anchalik College

Bhawanipur Anchalik College, through its Career Counselling Cell, proudly organized an Awareness Programme for Agni Veer Recruitment and Other Posts of Indian Army on 23rd April 2025. The event was conducted in collaboration with the Army Recruitment Office, Narangi, and the Bajali District Administration. The programme aimed to enlighten students and aspiring candidates about the various opportunities available in the Indian Army, particularly under the Agni Veer scheme. Representatives from the Army Recruitment Office provided detailed insights into the recruitment process, eligibility criteria, training modules, and career prospects in the defence services. Officials from

the Bajali District Administration also shared valuable information and extended support for facilitating the recruitment process in the region.

Mr. Manas Kumar Chakrabarty, Principal i/c, Bhawanipur Anchalik College addressed the participants with his encouraging words during the inaugural meeting. The session witnessed enthusiastic participation from students, reflecting a strong interest in serving the nation through the armed forces. The programme focussed on the procedures and options that the students can take to join the Indian defence services. It concluded with an

interactive session, during which queries from participants were addressed by the resource persons.

The programme was coordinated by Dr. Priyanka Kalita, Coordinator, Career Counselling Cell while it was hosted by Mr. Abhijit Bora, Assistant Professor, Department of Mathematics. Marking a meaningful stride in inspiring the youth of the region toward a disciplined and honourable career in the Indian Army, the event concluded on a thoughtful note with a vote of thanks delivered by Dr. Nabin Kumar Pokhrel, IQAC Coordinator.
