

Celebration of National Science Day 2025

Date: February 28, 2025

Venue: Bhawanipur Anchalik College

Organized by: Assam Science Society Bhawanipur Branch with the support of Science Forum, Bhawanipur Anchalik College

Event Details

The National Science Day 2025 was celebrated enthusiastically at Bhawanipur Anchalik College, with the focus on spreading scientific awareness and innovation among students. The event had two significant student-oriented activities

1. Prize Money Quiz Competition – Motivating students to show off their scientific expertise.
2. Science Model Making Competition – Offering scope for creativity and scientific innovation.

One of the most widely attended talks given on Quantum Physics was by Dr. Vivek Baruah Thapa, Assistant Professor in the Department of Physics, Bhawanipur Anchalik College. His talk on the theories of quantum mechanics proved to be an instant success, arousing interest and scholarly enthusiasm among the students. The programme was attended by the Principal, faculty members and the students of Bhawanipur Anchalik College.

The program effectively promoted scientific temper and curiosity, giving the students a chance to participate in valuable discussions and real-life application of scientific principles. The program ended on a good note, motivating the students to learn more about the wonders of science and technology.
