

INTERNATIONAL MATHEMATICS DAY CELEBRATIONS – 2024 MARCH 16, 2024

The Department of Mathematics, in association with IQAC and Science Forum, Bhawanipur Anchalik College, observed “International Mathematics Day Celebrations 2024” on March 16, 2024, from 11.00 A.M. to 1.00 P.M. at the Seminar Hall (Smart Classroom), Bhawanipur Anchalik College.

On this occasion, a talk on “**Fascinating World of Numbers (সংখ্যার মোহনীয় জগত)**” was organized. The honourable Principal, Dr. Mukunda Sarma, of Bhawanipur Anchalik College, addressed the gathering by briefly highlighting the significance of International Mathematics Day. Dr. Dilip Sarma, former HoD, Mathematics, Cotton College, Guwahati, was invited as the resource person in this event. In his talk, Dr. Dilip Sarma explained briefly how mathematics is closely

related to literature and described the beauty of numbers. Dr. Abdus Salam, Vice-Principal, Bhawanipur Anchalik College was also present in this event.

All the faculty members of the department of mathematics, as well as some faculty members from different departments of Bhawanipur Anchalik College, were also present in this occasion.

The department is eager to observe such important events in the coming days.
