Invited Talk-2 of “Science Talk Series-2024” organized by Science Forum in collaboration with Department of Physics, Bhawanipur Anchalik College

Science Forum, Bhawanipur Anchalik College in collaboration with Department of Physics, Bhawanipur Anchalik College & IQAC, Bhawanipur Anchalik College organized the second invited talk of the year-long “Science Talk Series-2024” on 12 March 2024 at the college premises.

Mr. Debashish Hazarika was invited as a guest

speaker for the invited talk-2 who spoke on “Observational Astronomy in the era of Big Telescopes”. Mr. Hazarika is a Doctoral Research Scholar of the domain of Astronomy & Astrophysics (particularly on Galaxy Evolution & Extragalactic Astronomy) at INCT-UDA, University of Atacama, Chile.

Dr. Mukunda Sarma, Principal, Bhawanipur Anchalik College extends a warm welcome to our esteemed guest speaker. Dr. Vivek Baruah Thapa, Assistant Professor, Department of Physics, Bhawanipur Anchalik College formally introduced the distinguished guest speaker to the esteemed audience

and adeptly hosted the entire program. The speaker provided insightful remarks, both on academic as well as career options in Astronomy & Astrophysics. There also ensued an interactive session between the audience and the speaker.
