The Career Counselling Cell of Bhawanipur Anchalik College organized a special lecture titled “*Mastering the Path: Successful Approaches for Preparation of PG Entrance Examination*” on 4th March 2025. The event aimed to provide guidance and strategic insights to undergraduate students aspiring to pursue postgraduate studies. Mr. Utpal Kalita, Lecturer, Department of Chemistry, Morigaon Polytechnic, Assam served as the resource person for the event.

The session commenced with a welcome address by the Coordinator of the Career Counselling Cell, who emphasized the importance of early preparation, planning, and guidance for students aspiring to pursue higher studies. The programme was graced by faculty members and students from various departments of the college. The resource person for the session, an experienced academician and PG entrance mentor, shared valuable insights on how students can identify the right courses and universities based on their interests and career goals. The talk focused on key areas

such as syllabus orientation, reference materials, previous year question analysis, time management, and the importance of mock tests. The resource person also highlighted the significance of mental preparedness and consistent practice in achieving success in competitive examinations.

The lecture was highly interactive, with students enthusiastically participating in the Q&A session, where they clarified doubts regarding exam patterns, preparation timelines, and subject-wise strategies. The session also

covered tips on how to handle stress, maintain motivation, and balance regular coursework with entrance preparation.

The event was hosted by Dr. Priyanka Kalita and it concluded with a formal vote of thanks by Dr. Vivek Baruah Thapa, Assistant Professor, Department of Physics, acknowledging the resource person, faculty, and participants for their active involvement. The Career Counselling Cell reaffirmed its commitment to continue offering such initiatives in the future to support the academic and career development of students.
