

## Celebration of Pi Day (International Mathematics Day), 2025

Pi Day (International Mathematics Day) 2025 was celebrated by the Department of Mathematics, Bhawanipur Anchalik College, on 18/03/2025. On account of the holiday of Holi on 13/03/2025, it was decided to postpone the celebration of the

event. The event began with the welcome speech by Dr Nabin Kumar Pokhrel, IQAC Coordinator, he explained the importance of the day and highlighted the activities to be done under the celebration. It was followed by a talk delivered by the Principal, Bhawanipur Anchalik College, in which he described the importance of mathematics in our daily life and the need to shift the current education system to skill-based learning. HoD Mathematics, Dr Priyanka Pratim Baruah delivered a short talk based on the series representation of  $\pi$  introduced by mathematical legend S. Ramanujan. It was followed by the screening of a short documentary pertaining to the life and achievement of S. Srinivasan. The celebration ended with the

inauguration of the wall magazine

Mathologic prepared by the students of the Department of Mathematics. The event was attended by the principal, faculty members of the department as well as other departments and students from the

department of mathematics and other departments. The event ended with the vote of thanks by Mr. Abhijit Bora, a faculty member from the Department of Mathematics.
